

PRICING FOR 6 INCH (150mm) ALUMINIUM GUTTERS ONLY

PRICE PER	NETT	INC. VAT	NOTES
METER FOR GUTTER	£45.00	£54.00	If you do not have a tape measure to hand, measure by taking big steps (1 big step = 1 meter) and then round this up to the next whole number.
CORNER	£45.00	£54.00	Can be internal or external
STOP END	£17.00	£20.40	Can be Left or Right
PRICE TO EXTRUDE & FIT (ON-SITE)	Priced per job specifics	Priced per job Specifics	This price is based on using our own lightweight MAC Approved Scaffolding System, which can only be used if access to the gutters is not impeded in any way, and the gutter is below 5 meters in height.
<p>SCAFFOLDING - For any additional height, or where access is impeded or difficult, outsourced scaffolding will be required. PRICE variations exist due to locality of the work. We have approved sub-contractors all over England which we use and obtain our quotes from. We always give you the best price we get direct from the sub-contractor.</p>
